13 FOR THE NORTHERN DISTRICT OF CALIFORNIA  
14  
15 SAN FRANCISCO DIVISION

16 UNITED STATES OF AMERICA,

17 Case No. CR 18-00601-SI

18 Plaintiff,

19 v.  
20  
21 STIPULATION AND  
22 ORDER TO CONTINUE  
23 SURRENDER DATE

24 PATRICK AYSON,

25 Defendant.

26  
27 The defendant Patrick Ayson, by and through his counsel of record Gabriela Bischof, hereby  
28 requests that the self-surrender date now scheduled for August 13, 2021, be continued until September  
29 28, 2021. Mr. Ayson was sentenced on October 15, 2020, to 46 months imprisonment. His surrender  
30 date was continued to allow him to find childcare for his infant son, which he has done. Although Mr.  
31 Ayson is vaccinated, he has been exposed to covid-positive extended family members and he continues  
32 to experience symptoms, such as persistent cough and long-term low grade fever. Mr. Ayson's doctor  
33 advised that he quarantine until August 20, 2021. Due to the persistent nature of his symptoms, the  
34 parties agree that his surrender date should be continued to September 28, 2021, so that he can fully  
35 recover. The parties further request that the Court set a Zoom status conference regarding the surrender  
36

date on September 17, 2021, to ensure that no unexpected issues will arise.

Accordingly, Mr. Ayson requests that the self-surrender date now scheduled for August 13, 2021 be continued until September 28, 2021, and that the Court set a remote status conference on September 17, 2021. Under these circumstances, the government does not oppose this request.
